## OCEAN GROVE NEWS

**UCAF NEWS:** Our next meeting will be on the 23rd of May and the guest speaker is Sue Worland from Scope. Everyone is welcome to come and hear Sue. Please bring a small plate for morning tea and there will be a Trading Table. The Port Phillip West Presbytery UCAF invites us all to the May gathering on Tuesday the 10th of May. It will be held at Trinity Altona, 7 Seves Street Altona. Members of the Altona UC are happy to pick people up at Newport Station. If you are going and want to be picked up please phone Anne Green on 9398 4470. We have to let Anne know how many of our group are attending by the end of April. The speakers are Laura Gegan from Share and John Rigby from Melton South. Please speak to Robin Munro for either more details or confirmation of your attendance.

**LOAVES AND FISHES PANTRY:** This month we are asking you to donate 1kg packets of rice to help us stock the shelves of our food pantry. Please bring your donations along to worship on Sunday May the 1st when they will be dedicated along with the offering. We are always happy to accept donations, so if you forget, remember there is a basket in the church foyer where you can leave packaged food items any time. We recently received a newsletter from the Geelong & District Food Bank that contained the disturbing information that the number of people presenting with vouchers for **food aid has increased by 40% over the past 12 months**—food security continues to be a major problem for many people living in the Geelong area.

**A DATE FOR YOUR CALENDAR:** Tuesday May 10th 9.00am Help give the church, the church foyer, hall and kitchen a good clean. Please bring your own cleaning equipment, such as cobweb brushes, buckets and rags. Actual cleaning products will be supplied.

Do you have any **8 ply knitting wool or acrylic yarn** stored away but not needed? The UCAF knitters can put it to good use for rug making. Any donations will be gratefully received and can be left in the marked basket in the church foyer.

**TALENT MONTH:** May is going to get as many people as possible inspired to show off their talents. It is another fundraising effort, so please consider taking part. The idea is that you are encouraged to turn \$10 into as much profit as possible over the month. So if you can bake, sew, knit., grow vegetables, make jams/pickles/relish or even busk down the street your talents are needed. The idea is not just for you to "sell your goods at church, but think outside the box and try selling and involving your family members, members of different clubs you may be involved with, neighbours and friends.
