Message from Peace Palette

We are very grateful to have supporters and friends like you from the Ocean Grove Uniting Church. Thank you once again for your generous support in 2015. Peace Palette has lots to celebrate despite political and economical struggles in South Sudan, and we are very pleased to give you updates on new enterprises and initiatives that you have helped to bring to fruition.

1. Community vegetable garden— We have cleared land and planted seeds of tomato, okra, African lady finger leaf and eggplant. This is a milestone in South Sudan communities and we hope other South Sudanese communities will replicate this.
2. Grinding service—Your donations helped to buy this grinder which can grind ten kilos of sorghum in just 10 –15 minutes. The income from this is approximately \$55 a day which is very profitable in South Sudan.
3. Peace Palette kiosk (forthcoming). Buoyed by the success of the garden and grinding service, we are starting on our 3rd social enterprise selling basic food and supplies.

Thank you again for assisting Peace Palette and ultimately helping the children of the Nhomlau Children's centre, who we believe, are the leaders of today and tomorrow.

Warmest wishes for 2016 and we hopefully look forward to your future support.

Yours sincerely

David Vincent and Aya Ono
