MANDATORY RECORDING OF WORKER VACCINATION STATUS.

Under current Victorian Covid-19 Health directions, on and from Friday October the 15th, the church must collect, record and hold vaccination information for all gardeners, members of the Property Committee, musicians and this includes organists, people who do the Bible Reading and Prayers for the People, servers of morning tea, and all volunteers for Loaves and Fishes Pantry and The Dove Op Shop.

The Church must not permit a person who is unvaccinated to work for us. To protect the privacy of all individuals the information gathered will be stored securely and only Dianne Sapwell and Pat Reid will access to such.

You must supply to either Pat or Dianne a full vaccination certificate that is recorded on your mobile phone or a printed copy. This certificate must contain your vaccination certificate number, name of vaccine and vaccination dates. If you are unvaccinated and exempted you must supply your Medical Certificate stating such.

It is important that this information is obtained as soon as possible. You may email your certificate to the Church email address or have your details cited by either Pat or Dianne on a Sunday morning before Church.
